

UNITED ENTHUSIASTS CLUB

UNITED AUTOMOBILE SERVICES and ARRIVA NORTH EAST

MEMBERSHIP APPLICATION AND RENEWAL 2020-21

The club was formed in 1984 with the support and encouragement of United Automobile Services, and continues to flourish with the help of the successor companies under the Arriva North East name, including Arriva Northumbria. It caters for the bus enthusiasts interested in these operators and in the history of United and its immediately associated companies. The club has over 160 members living throughout the country as well as in the local area.

Our monthly illustrated newsletter contains vehicle and service news of Arriva North East, articles, letters, book reviews and comment. There are also major articles, usually historical, and the newsletter provides a platform for members to share the results of their researches. Publication is towards the end of the named month, and by courtesy of Arriva each issue usually contains the Company's vehicle allocation sheets for that month. We also attend outings and events – please look out for details via our newsletter, website and Facebook page.

At the United Enthusiasts Club, members may subscribe by **post** (payment by cheque/postal order) or **online** (using PayPal). Whichever subscription method is used, members may choose either the paper newsletter (folded-A4 via Royal Mail) or electronic newsletter (PDF format via e-mail). The annual subscription covers a period of twelve months dating from 1st March 2020. Members joining during the year receive the appropriate back numbers of the newsletter commencing with the March issue.

Postal applications should be sent with the completed form below to:
